

DECEMBER 10, 2025

Schultz Center

10:00am – 12:00pm

JA Take Stock in Your Future introduces high school students to the stock market. Students discover the benefits and challenges of investing as part of a broad, long-term strategy and the risks and rewards of trading. JA Take Stock in Your Future includes two components: a classroom curriculum and the **JA Stock Market Challenge** competition event, which simulates a real-world market.
